Let’s do two emails:

- 1. Send to Mr. Tapper using *Dear Federal and State Partners* and cc: ACHP, SD SHPO, and BLM;
- 2. Send to all tribes using *Dear Tribal Partners* including Chairpersons/Presidents, EDs, and THPOs

Copy myself, Valois and Michael on both emails.

I will follow up with Powertech/John Mays.

Make sense?

Dear Federal, State, and Tribal Partners:

The U.S. Environmental Protection Agency (EPA) is providing you the enclosed documentation concerning EPA's decision to comply with Section 106 of the National Historic Preservation Act by signing an existing Programmatic Agreement concerning two Underground Injection Control (UIC) Area Permit Applications for the Dewey-Burdock uranium in-situ recovery (ISR) site located near Edgemont, South Dakota, under the authority of the Safe Drinking Water Act and UIC program regulations. The Dewey-Burdock site is located in southwestern Custer County and northwestern Fall River County, on the Wyoming/South Dakota border.

If you have any questions, please feel free to contact me.

Sincerely,
